Dear Mr. Beck: *Paul*

On behalf of Green Spring Gardens, we are delighted to accept your contribution to support our gardens and programs to support an intern at the White Gardens. Your generous contribution will enable us to host our first ever intern to assist with the development of this new public garden. This beautiful garden will also provide inspiration and places for quiet contemplation. Generous donors like you make this possible.

Thank you very much for your thoughtfulness and support.

Sincerely,

Mary E. Olien
