On behalf of the Board and Staff of Norfolk Botanical Garden, thank you for your generous gift of \$1,000 to support the azaleas at the Garden.

Your gift enables us to deliver an innovative educational experience focused on the outdoor environment while conserving our native plants and expanding our vital plant collections. Your gift will also help ensure the implementation of our Master Plan, which will add amenities and features to the Garden that are truly world-class.

Your charity and foresight in supporting our endeavors is greatly appreciated. Thank you again for helping us make Coastal Virginia a better place to live, work and play.

Gratefully,
