Dear Paul:

Jan 4

Thank you so much for your organization's recent gifts to the Arboretum. I have been helping raise money for the boxwood intern and your donation brings us closer to our goal of \$6528 which is what it costs per intern this year.

Please let your president Rich Bauer and the leadership of the Northern Virginia Azalea Society know how gratefully FONA and all Arboretum

enthusiasts are for this donation.

Yours sincerely,

Helin DuBois
