Herndon, VA 20171

Dear Mr. Beck:

Please convey our thanks to Azalea Society of America, Northern VA Chapter members for their recent gift to the Friends of the National Arboretum. The Chapter's donation of \$1,000.00 received on 1/31/2019 is much appreciated and will be put to work supporting the U.S. National Arboretum's azaleas. The money has been placed into a temporarily restricted account for funding an intern to work in the Azalea Collection. Thank you!

FONA has grown over its 35 years to become the National Arboretum's primary private fundraising partner. We could not have reached this point without support from friends like you, who fund more than 50 percent of FONA's operations through memberships and donations.

The Friends of the US National Arboretum (FONA) at the U.S. National Arboretum is a 501(c)(3) nonprofit organization under IRS guidelines. This letter acknowledges that your donation is fully tax deductible and that no goods or services were rendered in return for your contribution. Please save this letter as your receipt and keep with your tax records. FONA's tax I.D. number is # 52-1257712.

Please stay in touch and come visit the Arboretum soon. Enjoy this remarkable place! Thank you again!

Sincerely,

Catherine P. Kerkam
