Dear Mr. Bauer:

On behalf of the Board of Directors and Staff of Norfolk Botanical Garden, thank you for your generous gift of \$1,000 to support the azaleas at the Garden.

Your gift will enable us to continue to develop and deliver innovative educational programs focused on the environment, conserve our native plants, expand our important plant collections, and help us to restore and maintain our aging infrastructure, particularly our iconic 1963 Administration buildings.

Thank you again for helping us to make Coastal Virginia a better place to live and work. Your charity and foresight in supporting our endeavors is greatly appreciated.

Gratefully,

Michael Desplaines
