Dear Mr. Bauer & Ms. Kirkwood:

On behalf of the Board and Staff of Norfolk Botanical Garden, thank you for donating 30 Glenn Dale hybrid Azalea cultivars to be used at the garden.

Each day, we are faced with unique challenges and concerns associated with improving and preserving the Garden's special environment. *Without your valuable support*, Norfolk Botanical Garden could not achieve our goal of providing all visitors with a beautiful and natural environment in which to learn and relax.

Your charity and foresight in supporting our endeavors is greatly appreciated. Thank you again for helping us to make Coastal Virginia a better place to live, work and play.

Gratefully,
