

## NV-ASA General Meeting Minutes

December 6, 2020

The December meeting began at 2 pm via Zoom. In attendance were Barry Sperling, Dianne Marcus, Dianne Gregg, Dave and Leslie Nanney, Rick and Susan Bauer, Paul and Carolyn Beck, Lars Larson, Budne and Diane Reinke, Joe Klimavicz, Dan and Joanne Neckel, Irene Islan, and Karen Kinsey.

President Lars Larson welcomed everyone to our first Zoom meeting. Despite Covid, the Chapter did well. Lars did a quick review of 2021 calendar of events, stressing that everything is tentative. The Meadowlark Gardens spring plant sale is new. Meadowlark Gardens has heavy traffic, and the Chapter is looking to perhaps do well in a new market area.

Lars was thanked for his leadership as President. The new slate of officers for 2021 is as follows:

President – Rick Bauer; Vice President – Diane Marcus; Treasurer – Paul Beck; Secretary – Joanne Neckel.

Slate approved as presented.

Treasurer Paul Beck reminded members that it is time to renew memberships. Despite Covid, there were four plant sales ( $\$7,562.00 - \$129.55 = \$7,432.45$ ). Donations of \$2,500 to Meadowlark to repair the irrigation system at the Klimavicz Legacy Garden and \$1,000 to the National Society in memory of associate member Robert Thau were approved. Plant donations were made to Jenkins Arboretum and London Town Garden.

Since the Zoom platform seems to be working well, Paul Beck will research getting our own Zoom account. Meeting adjourned 2:30 pm.

Submitted by Joanne Neckel, Secretary.
