Holiday Social and Annual Meeting

Kirkwood Presbyterian Church

The chapter will be holding its annual Holiday Social and Annual Meeting on 5 December. NOTE: Due to ongoing COVID concerns, this function has been moved to Kirkwood Presbyterian Church to facilitate social distancing. Masks WILL be required when not eating or drinking.

This is a potluck event. The chapter will provide the main meat dish. Members are requested to bring their favorite holiday dish to share with other attendees.

In order to ensure we know the number of attendees to plan for, we request that if you are planning on attending, contact Carolyn Beck at 703-860-5676 or carolyn.f.beck@gmail.com by 4 December with the number of people attending.

During the Annual Meeting portion, we will be voting on the officers for next year, the budget for next year and will be deciding the recipients of chapter donations for 2021. Supporting documents are at the end of this message.

President's Message

We have come to the end of another year. While COVID continues to impact our operations, we have been able to adjust to many of the constraints imposed.

We were able to meet again, both in person and via Zoom. We had one of our most successful years selling azaleas to the public. These funds will enable us to continue to support horticultural activities including promoting azaleas.

We also are coming to the culmination of a several years long effort with Jenkins Arboretum to establish a Holly Springs Legacy Garden.

Nothing could have been accomplished without the efforts of many of our chapter members. As I reach the end of my term, I would like to express my heartfelt thanks for all of the hard work done by those members.

Chapter Meeting 24 October

The chapter held our fall meeting on 24 October at Kirkwood Presbyterian Church. We were treated to an interesting talk by Larry Jones of the Virginia Master Gardeners on the topic of "Attracting Pollinators to the Garden." This was the first meeting which we held in hybrid mode, both with attendees at Kirkwood, and also with members attending remotely via Zoom. We had a few "lessons learned" in executing this hybrid meeting, but plan to continue this mode, where appropriate, in the future.

Members were also able to obtain some beautiful azalea varieties and other plants through our plant exchange.

Willow the Wisp - by Dave Nanney

We are all hopefully almost finished with putting our gardens to bed. In our case, last minute azalea purchases needed to find a home as we try to get all our permanent plantings in the dirt before winter.

While walking in our front most bed, at the far end of our yard, we have had a delightful show for now over a month. Willow the Wisp is a cross between minus and Formosa. Dr John Thornton from the Louisiana chapter hosted a small group of visitors to his home after the 2017 Convention. He gifted the visitors with a small plant after the visit which brought "Willow" up north.

Willow the Wisp has regularly been one of the first plants to bloom in the spring. It has an open habit, nice lustrous pink 2-2 ½" flowers, on what is now a 2 ½' plant. With our month-long show, Willow the Wisp is a treat.

Membership Renewals

It's the end of the year and we have our annual effort to remind our members to renew their memberships. This effort is tedious for those chapter volunteers who remind and re-remind (and re-remind) our members to renew. Your membership expiration is shown in the membership database https://www.azaleas.org/members/ (login required) or on the address label on the mailer for your copy of *The Azalean*.

The standard yearly membership is \$30 for stateside memberships, \$45 for Canada, \$60 for Overseas, \$25 for Online only (i.e., no hard copies of *The Azalean*) or \$15 for a Student membership. Renewals can be accomplished online, telephonically or via the US Mail. More information is located at https://www.azaleas.org/joinus/. We encourage you to use the Yearly Automatic Subscription option which will automatically renew your membership annually until you cancel it.

Thanks for being a member of the society and our chapter. Please submit your membership renewal in a timely manner.

2022 ASA Convention Lafayette, LA 10-13 March 2022

After having to cancel the last two conventions due to COVID, the society will meet once again next year in Lafayette, LA. The convention committee has done a lot of planning to promote the beautiful venues in and around Lafayette. It should be a wonderful convention and it will be great to see old friends from different parts of the country. More information on the convention and the various venues is in the summer and fall issues of *The Azalean*. Additional information on the convention is also available through the society website at https://www.azaleas.org/convention-2022/.

Registration can be accomplished online or by mailing in a registration form with your payment. A copy of the registration form is located on the last page of this newsletter. A link for online registration is on the society homepage or at https://www.azaleas.org/convention-registration/?id=48&sh=inline.
