

and guests will enjoy them for years to come.

As a non-profit public garden, we rely on the generosity and work of organizations like yours to fulfill our mission.

Sincerely,

Les Parks

Dir. of Horticulture

Norfolk Botanical Garden

Ms. Kirtlewood,

I want to personally thank you and the NOVA Chapter ASA for the generous donation of so many Glenn Dale hybrids. They will go a long way to increasing our azalea collection. I would also like to recognize Rick Bauer for coordinating the donation, and Lars Larson for making the delivery happen. We intend to plant them this fall, with as many as possible going into our Glenn Dale beds, where our members
