

## NV-ASA General Meeting

July 17, 2022

Meeting at Kirkwood Church was called to order at 2 pm by President Barbara Kirkwood who welcomed all in attendance.

Since today's program was root cuttings, Don Hyatt reviewed how to do root cuttings and passed out instructions. Other members offered advice regarding their experiences with cuttings.

Don Hyatt gave an update on the status of the Margaret White garden. Unfortunately Fairfax County is moving very slowly regarding this bequeathed property. Members and concerned citizens have written letters and emails addressing this issue, and Don is not aware of any movement regarding this situation but will notify the Society if he has any news.

Barbara thanked the six members who worked for 2 hours at Meadowlark, removing dead azaleas and mulching. She invited more members to participate in the next work day.

Rick Bauer advised there are 5 open positions for Azalea Society officers for 2023-2025. He encouraged members to consider serving on one of the positions. More information can be found in the summer 2022 Azalean.

The Becks are gradually cutting back their propagating activities. The Club will need to consider alternate ways of providing the specialty plants it has become accustomed to selling at its sales. The next "uncommon" azalea sale will be held September 24 at Kirkwood Church.

There is still a need for a Club hostess (snacks provided by Club) and plant sale volunteer.

Meeting adjourned. Submitted by Joanne Neckel, Secretary

NV-ASA Attendance

July 17, 2022

Paul and Carolyn Beck

John and Barbara Kirkwood

Rick and Susan Bauer

Dan and Joanne Neckel

Dave and Leslie Nanney

Dave and Patsy Meadows

Jim and Sue Hedrick

Budne and Diane Reinke

Joe Klimavicz

Kathy Jentz

Don Hyatt

Lars Larson

Larry Martin

Judy Shapleigh

Diane Marcus

Bill Miller

Carol Allen

Richard Mohr

Ralph Habegger

Doug Pulak

Chip Benjamin
