Dear Mr. Beck and members of the Northern Virginia Chapter of the Azalea Society of America,

On behalf of the Friends of Green Spring Board of Directors, I would like to thank you for your very generous donation of \$1,000, dated December 31, 2022, to FROGS to support Title 1 Programs at Green Spring Gardens.

Your gift will support trips to the garden for children from Title 1 schools. These outings to the gardens are both a treat and an educational visit for the children, who often don't have ready access to green space. Thank you for helping make these outings possible.

Please come visit the gardens yourselves. The winter garden still has its own beauty, and there are art shows in the Historic House and the Horticulture Center. Please also think about attending some of the Winter Lecture Series, three are in person and the rest virtual.

Sincerely,

A handwritten signature in black ink that reads "Aimee Martin".

Aimee Martin, FROGS President
