Dear Paul,

On behalf of the Jenkins Arboretum & Gardens staff and board of directors, please accept our heartfelt thanks for your gift in support of our conservation efforts. Your gift will be used to support our Native Rhododendron Germplasm Repository. This important project promotes species conservation and specimen preservation in the face of overdevelopment and a changing environment.

*Your contribution of \$2,000 is tax deductible to the extent provided by law. No tangible goods or services were received in exchange for this contribution.*

As a public garden, Jenkins works in partnership with nature and the neighborhood. We are proudly community-supported, relying on the generosity of donors like you to keep the gardens open and free every day of the year.

Thank you for the part you play in our progress. We hope to see you around the gardens soon!

With thanks,

Tom Smarr  
Executive Director

*We are so honored to receive this gift. It will go directly for azalea collections work at Jenkins.*
