Dear Paul and Carolyn,

On behalf of Jenkins Arboretum, I want to sincerely thank you, the Northern Virginia chapter of the Azalea Society of America, and Mike White of White's Nursery for your generous donation of 123 potted Satsuki and 3 Kurume azaleas. Our collection of these late-blooming azaleas continues to grow thanks in large part to your contributions. In addition to previous donations of Satsukis and Holly Springs azaleas, these additions allow us to extend the bloom season through June – something we have been working toward in recent years. Please let me know if there is some way to repay your generosity.

Best Regards,

A handwritten signature in black ink that reads 'Steven A. Wright'. The signature is fluid and cursive, with the first name 'Steven' being particularly prominent.
